## Detailed Directions and Instructions

### Step 1: Prepare the Baking Sheet

Line a baking sheet with parchment paper to prevent the graham crackers from sticking.

### Step 2: Melt the White Chocolate

In a microwave-safe bowl, melt the white chocolate in 30-second intervals, stirring between each interval until smooth.

### Step 3: Dip the Graham Crackers

Dip each graham cracker into the melted white chocolate, ensuring each cracker is fully coated.

### Step 4: Place on Baking Sheet

Place the coated graham crackers on the prepared baking sheet.

### Step 5: Add Peppermint Crunch

While the white chocolate is still wet, sprinkle peppermint crunch over the top of each cracker.

### Step 6: Allow to Set

Let the chocolate-covered graham crackers sit at room temperature or refrigerate until the chocolate is set.

### Step 7: Cut and Serve

Once the chocolate is firm, cut the graham crackers into smaller pieces if

desired, and serve.

## Notes

### **Note 1: Chocolate Melting**

Be careful not to overheat the white chocolate, as it can become grainy if melted too much.

### **Note 2: Peppermint Crunch Substitute**

You can substitute peppermint crunch with crushed candy canes or any other desired topping.

### **Note 3: Storage**

Store the finished graham crackers in an airtight container to maintain freshness.
