### ### Prep and Cook Time

**\*\*Prep Time:\*\*** 10 minutes

**\*\*Cook Time:\*\*** 15 minutes

**\*\*Total Time:\*\*** 25 minutes

**\*\*Yield:\*\*** 6 servings

### ### Detailed Directions and Instructions

#### 1. **\*\*Prepare the Cheese:\*\***

- Cut the Velveeta cheese into small cubes. This allows it to melt quickly and evenly.

#### 2. **\*\*Combine Ingredients:\*\***

- In a medium saucepan, add the Velveeta cheese, Hormel chili, and milk.

#### 3. **\*\*Heat and Stir:\*\***

- Place the saucepan over medium heat. Stir continuously to avoid the cheese sticking to the bottom.

#### 4. **\*\*Seasoning:\*\***

- Once the cheese begins to melt, add the paprika, ground cayenne pepper, ground cumin, garlic powder, and onion powder. Stir well to ensure the spices are evenly distributed.

5. **\*\*Final Touch:\*\***

- Once the mixture is smooth and creamy, add the lime juice. Stir again and taste for seasoning adjustments.

6. **\*\*Serve:\*\***

- Pour the queso dip into a serving bowl. Garnish with freshly chopped cilantro.

**### Notes**

- For an even spicier version, you can add a diced jalapeño pepper when you add the seasonings.
- If the queso dip becomes too thick, you can add a bit more milk to achieve your desired consistency.

**### Cook Techniques**

- **\*\*Double Boiler Method:\*\*** If you're worried about the cheese burning, you can use a double boiler to melt the ingredients more gently.
- **\*\*Slow Cooker:\*\*** For parties, keeping your queso dip warm in a slow cooker on the "keep warm" setting is a great idea.
- **\*\*Microwave:\*\*** If you're in a pinch, you can microwave the cheese and other ingredients in 30-second intervals, stirring each time, until the mixture is smooth.

**### FAQs**

**\*\*Q: Can I make this dip ahead of time?\*\***

Yes, you can make the dip ahead and store it in the refrigerator. Reheat it on the stove or in the microwave before serving.

**\*\*Q: How long does leftover queso dip last?\*\***

Stored in an airtight container, the queso dip will last up to a week in the refrigerator.

**\*\*Q: Can I use a different type of cheese?\*\***

Velveeta is recommended for its smooth, creamy texture when melted. However, you can experiment with other cheeses, keeping in mind that the texture may vary.

**\*\*Q: Can I add meat to this dip?\*\***

Absolutely! Ground beef or sausage can be cooked separately and added to the dip for a heartier version.
